TIME CERAMICS

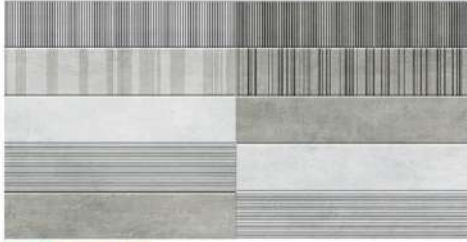

Breadth and durable for surfaces that amplify and highlight a quality and philosophy that goes beyond the limits of the material, thanks to a technology able to transform and exalt veining, colors and textures, creating a perfect visual continuity between walls and floors. Extremely versatile, all the collections guarantee high-level performances and maximum resistance.

INNOVATION, PRODUCT QUALITY AND CUSTOMER SERVICE

Style never goes out of fashion and neither has TIME CERAMICS, since its inception in 1995. TIME CERAMICS symbolizes stylized spaces, designs that redefine grandeur and a sense of fashion that is second to none. Our collection of tiles, marble and mosaico, not just match your requirements but come with an assurance of superior quality driven by the best of technology

Time Ceramic is a group of companies, forming the largest tiles manufacturing network. We boast a daily production capacity of 85,000 square meters, translating to a monthly production of 2,550,000 square meters and a staggering 30,600,000 square meters annually.

We offer a diverse range of sizes to cater to your specific needs. As an ISO-certified company, we hold quality in the highest regard.
